

IMPORTANT SAFETY UPDATES to serve you better.

As you come arrive on campus this fall, we want you to know that Wellesley Fresh Dining Services has been working diligently to ensure the safety of our customers and team members as we open our doors once again.

Working within the CDC guidelines and through guidance of the Wellesley Board of Health and mass.gov.com, we have devised a comprehensive re-opening plan to ensure safe food service to our customers.

Whether you are a returning guest or a first time customer, dining will look a bit different this fall. While we understand this is not ideal, please know that all of these measures have been implemented with safety in mind. Below we are outlining our general plan for fall operations, subject to change as the needs of the community change.

Carry-out

- Bae Pao, Bates and Tower Dining Halls and the Emporium are all carry-out at this time.

Basic information

- Masks are required in all of our locations.
- Social distancing protocols are in place.
- One-way arrows to direct traffic flow.
- Use of reusable mugs and bottles is suspended.
- All food will be served on disposable service ware.
- All cups will be disposable.
- All items are individually wrapped.
- Increased disinfection and sanitation protocols.
- Adhering to the constantly updated guidance from the CDC, Department of Health and Department of Agriculture.
